“A growing church meeting families, one need at a time”

To Whom it may concern:

Greetings and Blessings in the name of Jesus Christ our wonderful Lord and Savior. This letter is just a brief summary of my / our experiences with Faith McCutcheon Worship Ministries. My wife and I have known Faith / Ed McCutcheon for many years and have seen (firsthand) their commitment to Christ, His kingdom, and their role in the body of Christ through worship ministries. We have hosted them at our local church on multiple occasions for not only musical worship but have also had Faith be our guest speaker for our Sunday morning services. They are (without a doubt) gifted for this ministry, always well prepared, sensitive to the individual needs of the congregation they are ministering to, and (most importantly) led by the Holy Spirit's anointing as they lead a praise / worship experience. We would highly recommend her / them to anyone looking for a spirit filled worship experience at your church or event.

My name is Robert Hile Jr. and I serve as Lead Pastor for Family Life Ministries in Butler PA. If you have any further questions or concerns, please feel free to contact me.
